

**HAVING TROUBLE GETTING A STATE ID CARD
AND WANT TO VOTE?
WE WANT TO TALK TO YOU!**

Starting in February, all Wisconsin voters are going to have to show photo ID to vote. If you don't have photo ID, you can't vote for Milwaukee Mayor in April and you can't vote for President in November 2012, or for any other candidate.

For most people, the "photo ID" you will need to vote is a Wisconsin state ID card or a Wisconsin driver's license.

We know there are people having trouble getting a state ID - especially people who don't have and can't get the papers they need to get the ID (like a birth certificate and proof of where you live and a social security card).

We want to talk to people having problems getting ID, who also want to fight this law!
