

WHO CAN VOTE IN WISCONSIN?

You May Vote in Wisconsin If:

- You will be at least **18 years old** by Election Day;
- You are a **U.S. citizen** by birth or by naturalization. (*If you were born in Puerto Rico, you are AUTOMATICALLY a U.S. citizen.*)
- You will be a **Wisconsin resident** for at least 10 days by Election Day;
- You have **registered** to vote - or you register on Election Day. (*If you've registered from a different address in the past, you must register again at your new address.*)

What Do I Do if I Have to Register?

- If you have a current, valid, Wisconsin driver's license, bring it so you can write your license number on the voter registration card. If you don't have a current, valid, Wisconsin driver's license, you still CAN register by writing the last 4 digits of your social security number or state ID card on the registration card, or by checking the box that says you don't have any of these documents.
- You prove where you live. If you're registering on Election Day, if you registered by mail, if you registered after October 18, or if you registered in a registration drive, bring a document with your name & current address, like a driver's license, state ID, recent utility bill, property tax bill, lease, bank statement, or pay check, OR go to the polls with a voter who knows where you live and who has proof of their own residency.

You May Vote EVEN IF:

- You don't have a driver's license or "photo ID;"
- You are an Ex-Felon (as long as you no longer have to report to a probation or parole officer because of a Felony conviction. YOUR CIVIL RIGHTS ARE AUTOMATICALLY RESTORED WHEN YOU ARE "OFF PAPER." If you've only been convicted of a Misdemeanor, you CAN vote – even while serving a Misdemeanor sentence);
- You don't speak English (as long as you are a U.S. citizen)
- You are a Student living away from your parents (you can choose to vote where you live for school OR where you last resided before attending school. You may not vote twice.)
