Summer Justice Institute 2021: Hybrid Edition

July 19 – July 30

ACLU
WI

The **Summer Justice Institute (SJI)** is a two-week day camp that combines arts and civic engagement instruction to provide a unique experience to Milwaukee area high school teens. We cover topics such as racial justice, conflict resolution, self-care, civil liberties and civil rights, immigration, LGBTQ+, mass incarceration, voting rights, and more.

At the **Summer Justice Institute** students will become experts on the issues currently being confronted in Wisconsin today and will work to create actions for positive change.

This year, in order to accommodate COVID precautions, we are doing a hybrid model with six days in person and four days with remote independent instruction.

Below is a programming schedule:

Week 1	SJI Community Building and Community Organizing 101 July 19-23
Day 1	Goals of SJI, Introductions, Getting to Know You, Ground Rules, Tech Practice
Day 2 *(remote)*	Conflict Resolution, Communication and Leadership Styles
Day 3	Identity and Civic Engagement
Day 4 *(remote)*	Know Your Rights/Starting Your Organizing Journey
Day 5	Community Organizing 101
Week 2	**Applying Learnings/Building a Project July 26-July 30**
Day 1	Getting Started
Day 2 *(remote)*	Project Day 1

*Subject to change. The in-person days will be 9:30 a.m. to 4 p.m., and the remote days will be limited to three hours of screen time but participants will have flexibility in when they complete assigned tasks.
