

WISCONSIN VOTER REGISTRATION REQUIREMENTS

Voter registration is not the same as Voter ID. To vote in Wisconsin, you must be registered.

You have to REGISTER if:

- You've never voted in Wisconsin before.
- You've moved since the last time you voted in Wisconsin.
- You changed your name since the last time you voted.
- You haven't voted in four years or more.
- You were convicted of a felony, and now you're "off paper" and want to vote again.

There are many ways to register:

- You can register online.
- You can register by mail until 20 days before an election.
- You can register in person at the Municipal Clerk's office or your early voting site until the Friday before an election.
- You can register at the polls on Election Day.

To register, if you have a current, valid Wisconsin driver's license or Wisconsin ID, you need to put the license or ID number and expiration date on the online or paper registration form.

If you don't have a Wisconsin license or ID, YOU STILL CAN REGISTER. Just write the last four digits of your Social Security number on the online or paper form.

IMPORTANT: You DO NOT need a photo ID to register to vote, but you MUST HAVE a photo ID to vote.

If you are registering in person or by mail, you have to show a document with your first and last name, and current (voting) address. The document must be valid on the day it is used to register. If you are registering in person at the Clerk's office or at the polls on Election Day you can show an electronic copy from your smartphone or tablet.

If you are registering by mail send a copy of the document with your registration form.

You CAN'T use credit card bills, collection notices, magazines or personal mail to prove your address.

- a recent utility bill (electric, gas, cell or landline phone, cable, internet, etc.);
